

NOTICE TO PREGNANT PATIENTS

Dr. Debora S. Sedaghat delivers most of her patients herself. However, patients are advised that Dr. Sedaghat may not be available at the time of their admission, delivery and postpartum period and another doctor may deliver. Dr. Sedaghat works with reputable physicians to cover her in certain circumstances and our office does not guarantee a female doctor at the time of delivery. Dr. Sedaghat makes every effort to be present at all of her deliveries but as noted she may not be available and another doctor, male or female, may be present if necessary.
